Legal Department.

A revised draft notification is sent herewith.

As rule 2B of the Bombay Cotton Ginning and Pressing Factories Rules 1925, specifies different periods of the year as constituting a season in the various districts, it would not be correct to refer to 1st September in columns 3 and 4 of the Labour Department draft as proposed by that Department. The expression "since the commencement of the season" has therefore been used in the revised notification.
